### BOUTIQUE RULES

If you provide proof of enrollment in a Michigan high school, you may apply to receive a free formal or prom dress and one accessory. Each student **must** present a valid school ID card or other proof of current enrollment and provide her name and contact information at her appointment. *Hope Closet does not guarantee that everyone will receive a dress.*

Students will be allowed to receive one dress, plus one related accessory, if available. Students may only obtain one dress from one boutique (no exchanges).

Volunteers will serve as personal shoppers for the students attending the boutiques. Each student will be asked to wait until a volunteer personal shopper becomes available before she can begin shopping. Please plan accordingly (i.e. bring something to read, don't make other appointments adjacent to this one).

Each student will be permitted to bring one person (e.g. a parent, aunt, etc.) with them into the boutique to help them shop with the volunteer.

Adults will not be allowed to shop unless the student for whom they are shopping is physically present with them at the boutique.
